OBJECTIVE

Aspiring Information Technology graduate seeking an entry-level opportunity to launch my career in the IT field. A quick learner with strong problem-solving abilities, analytical thinking, and a genuine enthusiasm for exploring new technologies. Adaptable and team-oriented, with the ability to grasp new concepts quickly and apply them effectively in a professional environment. Committed to contributing to organizational success through dedication, hard work, and continuous personal growth.

EDUCATION

Bachelor of Information Technology (UG) – CGPA: 8.4 Panimalar Engineering Technology - Chennai, TamilNadu	2022 - 2026
Higher Secondary School (State Board) – 78.5% SMS Vimal Matriculation School - Vellore, Tamil Nadu	2021 - 2022
Secondary School (State Board) – 76.4% SMS Vimal Matriculation School - Vellore, Tamil Nadu	2019 - 2020

TECHNICAL SKILLS

Programming Languages: Java
Database Language: SQL
Web Development: HTML, CSS
Office Tools: Microsoft Excel

PROJECTS

Blood Group Detection Using Fingerprint (Deep Learning)

Developed a deep learning-based system for blood group detection using fingerprint analysis by integrating CNN, ResNet, and RNN architectures to improve classification accuracy. Enhanced automation and reliability in medical diagnostics through image preprocessing, model training and evaluation.

Sketch-to-Photo Face Recognition Using Deep Learning

Designed a two-stage deep learning framework that converts facial sketches into photo-realistic images using a U-Net generator, then identifies individuals with a MobileNetV2-based recognition model. Trained the recognizer only on real photos to avoid synthetic bias and ensure reliable cross-domain accuracy. Achieved 99.20% accuracy and a 99.68% F1-score, proving effective for forensic and security use cases.

INTERNSHIP

Database Management - Chennai Port Authority	10.06.2024 - 25.06.2024
Experienced in government data security protocols and managing port-related information through data entry and record maintenance.	

CERTIFICATION

- NPTEL – Database Management System
- NPTEL – Internet of Things (IoT)
- Udemy – Excel
- Oracle – Oracle Cloud Infrastructure 2024 Generative AI
- NASSCOM – Cyber Security for Beginners

PROFESSIONAL SKILLS

- Effective Communication
- Problem-Solving
- Time Management
- Quick Learning Ability
